

CITIZEN

Compact. Connected. Complete.

Small size yet fully featured,
LAN-as-standard desktop printer

Compact

The small footprint of the new CL-E300 makes it a perfect printer for tight spaces but still allows labels up to 4.5 inches wide to be printed on a 5 inch media roll.

Connected

With an on-board Ethernet LAN interface as standard together with USB and Serial interfaces, the CL-E300 is perfect for all applications. Citizen's LinkServer™ web management and configuration system is integrated to allow full printer control.

Complete

The CL-E300 has 203 and 300 dpi versions, as well as cutter and peeler options, allowing you to use it in every direct thermal application from low to mid volume printing.

CITIZEN CL-E300

LABEL

Applications

- Courier
- Logistics
- Shelf-edge
- Pharmaceutical
- Retail
- Medical

Complete peace of mind

The CL-E300 is simple to use and intuitive, ensuring users waste no time when changing labels or adjusting settings.

Energy efficient

Thanks to its Energy Star® compliant power supply, the CL-E300 series is one of the most environmentally friendly label printer ranges on the market.

CITIZEN

Well connected

Featuring on-board LAN, USB and Serial interfaces, the CL-E300

series allows you to operate the printer remotely and adjust settings thanks to its LinkServer™ management tool which enables you to connect to the printers instantly via a web browser.
