

N17 POS Touch LCD

Small Footprint

Removable Base
With VESA Mounting

3

Year warranty

The N17 is a cutting edge 17" Multitouch LCD touch monitor with a perfect-flat, pure-glass, zero-bezel surface with Projected Capacitive (PCAP) touch technology.

Featuring a designed for touch, stable base with cable management, and IP65 rating on the front panel to protect from accidental spills, the N17 is built to last.

The N17 is able to be used in a variety of environments due to it's ability to be wall or pole mounted using industry standard VESA mounting.

- USB Touch Interface
- VGA, HDMI and Displayport Video Inputs
