## Universal Payment Stand /PS-1010

All Steel

Adjustable Structure

Flexible Movement

### FEATURES

#### Universal for Various Payment Terminals

Every clip can be adjusted by loosening the screws under the plate.  
Easy to use: install your payment terminal and tighten the clips around it.  
Applicable to payment terminals of different sizes from 70-108.5mm wide.

## Steel Structure & Detail Design

Made of thick heavy-duty steel, the stand keep stable and durable even under frequent use. Many details have been added: detachable clips, flange cover, routing hole, etc. Customizable colors.

Please note that the PS-1010 has been tested with the EFTPOS terminals listed below, but should be suitable for use with any terminal that is 70mm-108.5mm in width, including terminals from Banks, Tyro, Smartpay and all other payment terminal providers.
