Clamp Lock Security

The Edge case is constructed from high grade metal and powder coated for durability. The iPad is secured in place with a unique clamp design with neoprene cushioned support. Remove your iPad from the clamp with a simple release option located on the rear bracket. Unlock the latch using the supplied security key to release the clamp and then remove iPad.

Internal Cable Management

The Edge iPad stand ensures your device remains charged and ready for use without the need for a bulky case. The slim clamp design includes internal cable management that allows you to run the cable through the stand and out at the base.

Nexus

The Nexus base can be used as a desktop stand with 3 different mounting options. Use the Nexus as a freestanding base for mobility or alternatively screw mount the base in a fixed position. We also supply a custom cut 3M adhesive pad to secure your tablet stand without the need for drilling holes, perfect for stone surfaces. Measuring 3.19" (81mm) high, the Elite Nexus stand is ideal for use when sitting at a desk or standing at a counter.

Evo Screw Mount & Freestanding

The Evo stand is available in two mounting options as the freestanding base or screw mount. The screw mount can be screwed in from above with a base cover over the mounting plate or alternatively, you can mount from beneath the surface for a slim mounting option. Measuring up to 7.95" (202mm) high, the Evo stand ensures the perfect height for counter top POS and self service kiosk applications.

Nexus

The Nexus stand is wall mountable with a screw mount option. Measuring 3.19" (81mm) high, the Elite Nexus wall mount features a slight angle for easy use. This stand is constructed with high grade metal casting and features a powder coated finish for strength and durability.

Evo Screw Mount

The Evo screw mount stand sits 7.95" (202mm) away from the mounting surface, the Evo stand ensures the perfect use for POS and self service kiosk applications. Featuring portrait to landscape rotation and tilt adjustment for ergonomic use.

180° Rotation

Nexus Stand

The Nexus stand includes a 180 degree swivel, which is perfect for customer facing Point Of Sale (POS) and kiosk stands. This stand also features a unique magnetic hold at each swivel point to keep your tablet in position. For a fixed option, a position lock is available to disable swivel movement.

40° Tilt

90° Rotation

Evo Stand

Both Screw Mount and Freestanding options rotate between portrait and landscape and also features a 40-degree tilt for a functional and ergonomic design. This stand also features a position lock on both tilt and rotate movements for a fixed option.

Pre Assembled

Want an easy installation process without having to worry about parts, screws and lengthy assembly guides? We thought so. The Edge iPad stand comes fully pre-assembled for trouble-free large scale roll outs.

The Edge clamp has been designed specifically for the iPad 10.2 7th & 8th Generation. More supported tablet sizes are currently in development so contact us to find a solution for you.
